<p><b>Baby Medical Products</b></p>						
	<p>BN303</p>	<p><b>Baby Nasal Aspirator</b> Say goodbye to baby congestion with the Rumble Tuff Nasal Aspirator! Its soft silicone tip and adjustable suction strength make it easy to use. Two chamber design, no filter is needed, and easy to clean. Highly recommended by mothers, nurses, and pediatricians.</p>	<p>Box</p>	<p>16x14x19</p>	<p>16x14x19</p>	<p>17lbs</p>
	<p>BD200</p>	<p><b>Baby Medicine Dispenser</b> Experience no leaks or waste with this effective medicine dispenser. It's designed with a patented ventilation shaft that prevents a vacuum from forming inside the reservoir. This allows for easy flow of medicine to your baby's mouth while preventing leaks and spills.  This dispenser offers two convenient methods for adding medicine: 1. Open the dispenser and pour in the medicine. 2. Use the included measuring syringe to inject the medicine through the ventilation hole. This user-friendly design ensures that administering medicine to your baby is a hassle-free process. Enjoy peace of mind knowing that every drop of medicine is effectively dispensed.</p>	<p>Blister</p>	<p>20x13x16</p>	<p>20x13x16</p>	<p>12 lbs</p>
	<p>ST202</p>	<p><b>Baby Toothbrush Training Set</b> This set includes three brushes, each designed for a specific stage of your baby's oral hygiene journey: before teething, during teething, and after teething. <b>Fingertip Brush:</b> A soft brush head is perfect for massaging gums and cleaning your baby's tongue. <b>Gum Massager:</b> Equipped with soft silicone nubs, this massager provides soothing relief to your baby's tender gums during teething. <b>Toothbrush:</b> This ultra-soft, flexible silicone brush is specially designed for your baby's primary teeth. It's gentle and serves as an excellent training toothbrush. The brushes feature an ergonomic handle made from soft silicone plastic, making it easy for both adults and babies to grip. Enjoy this journey with your little one as they learn the importance of oral hygiene.</p>	<p>Box</p>	<p>19x17x17</p>	<p>19x17x17</p>	<p>19 lbs</p>

	<p>MT905Q</p>	<p align="center"><b>Flex-Tip Quick Response Thermometer</b></p> <p>Clinical digital thermometer with flexible tip allows taking temperature comfortably under the tongue or under the arm. Provides fast, accurate readings in 20 sec. Easy to use, easy to read, and ideal for the whole family.</p>	<p>Box</p>	<p>6.4x5.1x7</p>	<p>6.4x5.1x7</p>	<p>1.8 lbs</p>
	<p>MT515</p>	<p align="center"><b>Non-Touch Forehead Thermometer</b></p> <p>The non-contact infrared thermometer can detect the temperature of forehead from a distance of up to 3.9inches with results in 1 second. Effectively prevents cross-infection between multiple people and won't disturb a sleeping baby. Sanitary and convenient. Health Indicator and alarm colors allow to monitor the fever with up to 10 temperature readings and recall them at any time. Comes with silent mode. This thermometer is suitable for all ages, infants, adults, and the elderly. It also supports temperature detecting for rooms and objects. At the same time, it's easy to switch between °C and °F.</p>	<p>Box</p>	<p>10x6x15</p>	<p>10x6x15</p>	<p>3 lbs</p>
<p><b>Baby Non Medical Products</b></p>						
	<p>BC302</p>	<p align="center"><b>Thermal Spoon Set (3pcs)</b></p> <p>Heat-sensitive and color-changing spoons. Experience the innovation of our spoons that change color when your baby's food is too hot for safe consumption. This feature ensures your baby's safety and your peace of mind during mealtime. Our spoons are crafted from soft, food-grade plastic. This material is not only gentle on your baby's gums but also safe for use with food. Enjoy the assurance of knowing that your baby's utensils are designed with their health and comfort in mind.</p>	<p>Blister</p>	<p>18x11x17</p>	<p>18x11x17</p>	<p>11 lbs</p>
